

The image is a medieval manuscript illumination. The central miniature is enclosed in a gold arched frame. It depicts a bishop in a red and blue robe, wearing a mitre, holding a crozier and a book. In the background of this miniature, a small figure of the Virgin Mary holding the Christ Child is visible. The scene is set in a lush green landscape with trees and a church in the distance. Below the main miniature, there is a smaller, wider miniature showing a hunting scene with several men, a black pig, and a deer in a wooded area. The text is overlaid on the central miniature in a large, white, Gothic script.
